

CS21 – Open Transport Initiative
Code Review

REVIEWER: Dominykas Meistas	REVIEWEE: David O'Neill
FEATURE: Second Customer Query Tool	DATE: 16/03/2021

REPO: cs21-main	COMMIT: ef57082b
-----------------	------------------

FEEDBACK

FUNCTIONAL FEEDBACK

No functional feedback. The code has been refactored recently during a team mob programming session, hence no further changes are needed.

STYLE FEEDBACK

Feedback 1:
second_customer_query_tool/customer_query_tool/requirements.txt: No empty line at the end of the file.

Feedback 2:
second_customer_query_tool/customer_query_tool/populate.py: Spacing issues throughout the file.

Feedback 3:
second_customer_query_tool/customer_query_tool/populate.py: Inconsistent use of quotation and double quotation marks.

GENERAL FEEDBACK

No general feedback.

RESPONSE

No response required.
